Course Description

The purpose of this class is to develop English speaking and comprehension abilities through practice. These classes focus on communicating about practical daily subjects and focus more on developing fluency than expanding vocabulary or refining grammar.

Course Objectives

This course has the following specific objectives:

- 1.To improve students’ listening and speaking skills
- 2.To strengthen students’ learning ability (predicting, taking notes, making inference, cooperating with others, etc.)
- 3.To enhance students’ culture literacy and intercultural awareness
- 4.To improve students’ independent and creative thinking ability
